

Dear Policyholder,

Policy Identification Cards (Insurance ID Cards) have been provided for each insured vehicle.

Any driver covered on your policy can present the attached ID Cards as valid proof of insurance. You do not need a separate ID Card for each driver. For your convenience, we have listed all Active Drivers on this policy below.

This letter is for informational purposes only and is not official proof of insurance. Please notify us promptly of any changes in your address to be sure you receive all important policy documents. Prompt notification will enable us to better serve you. If you need additional ID Cards for a new vehicle, vehicle registration or just another card for your records, you can log into the GEICO Mobile app or visit [geico.com](https://www.geico.com).
